VAJARPAD
CNC MACHINE SHOP

AN ISO 9001 : 2015 CERTIFIED COMPANY

MANUFACTURERS OF

STEERING & SUSPENSION PARTS FOR TRUCKS & TRAILERS

COMPANY PROFILE

ABOUT US

VAJARPAD CNC SHOPE is a professional automobiles parts manufacturing and trading company located in RAJKOT City in the state of GUJARAT, which is one of the biggest manufacturing base for auto parts made in India. Our company has been founded in 2000, and for further expansion of our business we have established our own trading and export company named VAJARPAD CNC Machines

VAJARPAD CNC SHOPE a professional manufacturer and trading company for the automobile and the spare parts emerges. It will engage in consummating the supply system for the after sale spare parts of the Indian exported automobiles. As well as almost every international automobile companies. It will supply the after sale service spare parts with high quantity for the international agency, distributor and the end user. And it will settle a series of problem for the international market to the spare parts of different levels, such as difficulty of supply, the difficulty of replacing, untimely, short of delivery, the price confusion and many more. Our company is devoted to developing multilateral economic and trade cooperation and supply the professional spare parts for the abroad agency of automobiles.

VISION

Design and Manufacture Highest Possible Quality Products for our Most Valuable Clients, We Never Tolerate or Compromise anything about Quality or Service, Even Before or After Sales...

We believe we can Use Business to Create Global Network of Friends and Business Partners…

VAJARPAD CNC MACHINE SHOP is certified by ISO 9001:2015.

Quality is the main goal of our company, our offered products are monitored in these units on different dimensions under strict standards. Our organization manufactures in accordance with ISO 9001: 2015 regulations and quality. We train our controllers at regular intervals to enhance their skills in meeting the various requirements of the latest quality standards. All our products are tested at various stages of quality production and also at the final product.

DELANO

Certificate of Registration

This is to certify that
The Quality Management Systems of

VAJAR PAD CNC MACHINES SHOP

Carried out at following site:

PLOT NO. 26, GOLDEN INDUSTRIES AREA, NEAR ROLEX BEARING, VILLAGE - KOTHARIYA, RAJKOT - 360 004 (GUJARAT) (INDIA)

for their

QUALITY MANAGEMENT SYSTEM
ISO 9001:2015

Scope of Activities covered by this Registration:

MANUFACTURER & EXPORTER OF VMC/CNC TURNED COMPONENTS

CERTIFICATE NO. : DAPL/QMS/EDD1014

OUR STRENGTH

VAJARPAD CNC SHOPE have machine shop equipped with advanced technology. In order to participate in today's global economy, manufacturers face enormous pressure to reduce costs and increase throughput while increasing the quality of their manufactured parts.

We have state-art-off manufacturing System is designed to help our customers meet their demands, while allowing flexibility to adapt quickly to constantly changing product schedules.

In the infrastructure we have CNC Machines, VMC Machine, Hydraulic Press, Lathe Machine, Drilling Machine, Slotting Machine, Milling Machine, Cylindrical Grinding Machine, Centreless Grinding Machine, Induction Harding Machining and more.

We have skilled manpower with modern machinery & facility to meet the demand of the engineering industries. We always respect our customer, we provide zero-defect quality products with competitive prices. Our commitment to our customers for quality has supported us to stay competitive market.

VAJRAPAT CNC SHOP have in house testing unit for product quality. In testing unit have Digital Vernier, Micrometer, Depth Gauge, Height Gauge, Bore Gauge, Dial, Hardness Tester and more.

We commit to quality is made by all levels of employees, from management on down. Quality is reinforced as an integral part of all employees' day to day responsibilities.
